METTLER TOLEDO

CONSULTATIVE & APPLIED SCALES

5 YEAR GUARANTEE

The Company guarantees that the equipment covered by this guarantee will be free from failure and defects in workmanship and materials, plus lightning protection, for a period of five (5) years from date of installation, or sixty-two (62) months from date of shipment to the Buyer, whichever occurs first.

Should any such failure occur, the Company will, at its option, refund the purchase price, or correct such defects furnishing replacement parts and service free of charge to the Buyer.

Coverage:

1) All Consultative and Applied Truck and Railroad Scale Products purchased after March 31, 2003 (Models VTC210/ 7531/ 7541/ 7560/ 7562C/ 7563/ 7566/ 7260/ 7360)
2) Covers all non-abuse related failure of the scale weighbridge, load receivers, DigiTOL load cells, junction boxes, load cell cables, and MT digital indicator. Abuse would include, but is not limited to, overloading the scale, non-maintenance of the scale and surface finish, a vehicle running into the side of an above ground scale.
3) Guarantee supports 100% coverage of repair parts, labor and travel time, mileage from the closest service location, or replacement of the product during the covered period.
4) Installation must be performed by an Authorized METTLER TOLEDO Distributor, an Authorized METTLER TOLEDO Agent, or by a METTLER TOLEDO Company Office.
5) An inspection/preventative maintenance agreement with an Authorized METTLER TOLEDO Distributor, an Authorized METTLER TOLEDO Agent, or a METTLER TOLEDO Company Office is required.
6) The level of service, to be determined at the time of sale, will depend upon the site and usage conditions. At a minimum, this would include semi-annual inspection/preventative maintenance service performed by an authorized service provider.
